GENERAL INFORMATION

NOTE: When an emergency arises, do not dial 9-1-1! The emergency center screen would not show information necessary for response. The 9-1-1 Office and the Memphis Fire Department request that all emergency calls be routed through The University of Memphis Police Services dispatcher. The dispatcher will immediately create a conference call with the necessary emergency agency. Police Services will have the caller's location displayed. This procedure ensures emergency aid routing to the correct location.

IMPORTANT NOTICE REGARDING DIRECTORY INFORMATION

The following student information has been designated "Directory Information" by University officials: name, address, telephone number, date and place of birth, academic major, dates of attendance, degrees(s) awarded and the most recent previous educational institution attended by the student. This information will be released upon request to interested parties unless the student has provided a signed statement to the Records Office, 115 Administration Building, within 14 days of the beginning of classes each semester requesting that such information not be released.

CLASS CANCELLATION & INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of classes and/or campus activities at The University of Memphis, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Our campus radio station, WUMR (FM 91.7), will be notified first. Also, the University's Information Line (678-0888) and Web Site will have official statements. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each University division. Cancellations may not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (U of M Policy UM1531)

THE DRUG-FREE SCHOOLS AND COMMUNITIES ACT (UNIVERSITY POLICY 1:2D:05:13)

Students and employees are prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, use or being under the influence of controlled substances (illicit) drugs and/or alcohol on The University of Memphis campus or on property owned or controlled by The University of Memphis or as a part of any University-sponsored activities.

All students and employees are subject to applicable laws related to this matter and any violation of this policy will result in disciplinary action up to and including expulsion or termination of employment with the University and referral for prosecution or mandatory satisfactory participation in a drug/alcohol abuse assistance or rehabilitation program.

The University of Memphis is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award bachelor's, first professional, master's, educational specialist's and doctor's degrees.
